

# WE ARE HIRING !

## GAME DEVELOPERS

**JOIN NOW**

Are you a passionate student game developer with a keen interest in mental health and wellness? We are seeking creative and talented individuals to collaborate on an exciting project to develop a wellness-focused game. This game aims to promote mental health awareness and provide users with tools to enhance their wellbeing. If you are interested in this opportunity, please send your portfolio and a brief cover letter detailing your experience and why you're passionate about this project .

### **Budget:**

- R7000 negotiable

### **Requirements :**

- Design and develop a 2D/3D wellness-themed game from concept to completion
- Incorporate engaging and educational elements related to mental health
- Work closely with our team to ensure the game aligns with our vision and objectives

**Send CV & Portfolio before 09 August 2024 at :**
